

GVO POLICY MANAGEMENT - REVIEWING, APPROVING AND PUBLISHING

Join one of our free webinars to learn more!

Join one of our session for all GVO Users to find out more about how the GVO Policy Management tool can take the stress out of the Policy process, saving time and duplication:

- Uploading Policies for Governor/Trustee review and feedback
- Time and date stamped approval with the click of a button
- Finalising a Policy and publishing directly on the school website
- Sharing Policies with staff members
- Live reporting on compliance and policy status
- Automatic reminders when a Policy is next due for review
